SAFETY DATA SHEETS

This SDS packet was issued with item: 078917312

The safety data sheets (SDS) in this packet apply to the individual products listed below. Please refer to invoice for specific item number(s).

078917311

Previous issue: 06.03.2009

Page: 2/(7)

4. First aid measures

GeneralNever give anything by mouth to an unconscious person, or never induceinformation:vomiting.Inhalation:Supply fresh air, consult doctor in case of symptoms.Skin contact:Wash with water.Eye contact:Rinse opened eye for several minutes under running water.Ingestion:Rinse out mouth.

Note to physician: Material Safety Data Sheet.

5. Fire hazard / fire-fighting measures

Fire hazard: Non combustible.

Suitable extinguishing media: Coordinate fire-fighting measures to the fire surroundings.

Unsuitable extinguishing media: Not known.

Hazardous decomposition products: Not known.

Special protective equipment: According to the existing fire-fighting regulations.

Further guidance:

6. Accidental release measures

Personal precautions: See Section 8.

Environmental precautions: Not required.

Clean-up procedures / recovery:

On soil:

Large amount - soak up the product with an absorbent (sand, diatomaceus earth, acid binding absorbent, universal binder, sawdust).

Wash the rest of product with plenty of water.

Small amount – Wash with water.

On natural water:

Version: 2 Latest revision: 13.11.2009

Previous issue: 06.03.2009

```
Page: 3/(7)
```

7. Handling and storage

Handling:

Keep general measures applied for normal operations with chemicals and for working in laboratory.

Information about protection against explosions and fires: No special requirements.

Technical measures: None determined.

Storage:

Requirements to be met by storerooms and containers: No special requirements.

Information about storage in one common storage facility: Not required.

Storage conditions:

Keep in closed, original container.

Protect from freeze and direct sunshine.

Incompatible materials: Not determined.

Packaging materials: Not determined.

Specific application: See product sheet.

8. Exposure controls / personal protection

Engineering control measure:

Use general room ventilation.

Exposure limits:

Allowable/tolerable values in working air: -

Personal protection:

(Protective equipment should be qualified by an organisation with adequate licence.)

- Respiratory protection:Not required.Hand protection:Use of protective gloves is recommended.
- Eye protection: Safety glasses recommended during refilling.
- Skin protection: Protective clothing, general (lab. coat).

Other special:

13. Disposal considerations

Product disposal:

Waste identification number: EWC code: 06 03 14 Solid salts and solutions other than those mentioned in 06 03 11 and 06 03 13. or EWC code: 20 01 30 Detergents other than those mentioned in 20 01 29. Notes: classification of product waste is also dependent on the conditions of application. Disposal must be in compliance with national and local regulations. Smaller quantities can be disposed with household waste.

Packaging disposal:

Containers with product residue should also be treated according to EU directives and national regulations.

Wastewater:

Quality of wastewater due to normal use emitted to natural water must comply with governmental regulations.

14. Transport information

1		
Land transport: Road / Railway	ADR / RID classification:	Not classified.
Waterways: Inland waterways Sea transport	ADN: IMDG classification:	Not classified. Not classified.
Air transport:	ICAO / IATA classification:	Not classified.

15. Regulatory information

Classification and labelling according to EU directives [67/548/EEC and 88/379/EEC, 1999/45/EC (existing versions)] and to Hungarian regulation [44/2000. (XII. 27.) EüM rendelet (existing version)] for hazardous substances and hazardous preparations:

Danger symbol(s) and indication(s):

Hazardous components:

The label must bear the inscription:

R-phrase: not required

S-phrase: not required

Tactile warning of danger: Not required.

not required

Version: 2 Latest revision: 13.11.2009

Previous issue: 06.03.2009

16. Other information

Recommended applications / restrictions: See product sheets.

Information given is based on our best knowledge and is intended to describe the product for the purposes of safety of transporting and handling only. It should not be therefore construed as guaranteeing any specific property of the product. It is the responsibility of the user to observe all current regulations and consider recommendations on the use of application of product.

This safety data sheet has been prepared according to Regulation (EC) No 1907/2006, Directives 88/379/EEC and 1999/45/EC.

Source of data presented in this material safety data sheet: Test results of this product Material safety data sheets of product's components Hungarian and EU lists of dangerous substances Relevant Hungarian regulation and EU directives

The full text of each relevant R-phrase in Section 3.:

Trade name: Cleaner / HM5 Reagent Pack

Version: 3.0 Latest revision: 02.09.2013 Previous issue: 13.11.2009 Page: 1/(7)

1. Identification of the substance / preparation and company Product code: **D512**

Product type / recommended uses

Detergent containing microfiltered solution for regular cleaning, rinsing and washing of hematology analyzers' capillaries, tubings and chambers, removing blood component precipitates and lipoprotein deposits.

Manufacturer / Supplier identification:

Diatron MI Plc H-1097 Budapest, Táblás u. 39. Phone: + 36 1 436-9800 Fax: + 36 1 436-9809 Responsible for SDS: Diatron MI Plc H-1097 Budapest, Táblás u. 39. Phone: + 36 1 436-9800 Fax: + 36 1 436-9809

2. Hazards identification

2.1 Classification of the Substance or Mixture

Classification according to Regulation (EC) No 1272/2008 (CLP/GHS):

Not a hazardous substance or mixture according to Regulation (EC) No 1272/2008. This substance is not classified as dangerous according to Directive 67/548/EEC.

Classification according to Directive 67/548/EEC or Directive 1999/45/EC:

Human health hazards:	Danger symbol not required.
Safety hazards:	Danger symbol not required.
Environmental hazards:	Danger symbol not required.

2.2 Label Elements

Labelling according to Regulation (EC) No 1272/2008: The product is classified and labelled according to the CLP/GHS Regulation.

2.3 Other hazards – none

3. Composition / information on ingredients

No components need to be disclosed according to the applicable regulations.

According to 1907/2006/EC (REACH) and 1272/2008/EC (CLP/GHS)

Trade name: Cleaner / HM5 Reagent Pack

Version: 3.0 Latest revision: 02.09.2013 Previous issue: 13.11.2009 Page: 2/(7)

4. First aid measures

4.1 Description of first aid measures

General advice

Consult a physician. Show this safety data sheet to the doctor in attendance.

If inhaled

If breathed in, move person into fresh air. If not breathing, give artificial respiration. Consult a physician.

In case of skin contact

Wash off with soap and plenty of water. Consult a physician.

In case of eye contact

Flush eyes with water as a precaution.

If swallowed

Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.

4.2 Most important symptoms and effects, both acute and delayed

To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.

4.3 Indication of any immediate medical attention and special treatment needed no data available

5. Fire hazard / fire-fighting measures

5.1 Fire hazard Non combustible.

- **5.2** Suitable extinguishing media Coordinate fire-fighting measures to the fire surroundings.
- **5.3 Unsuitable extinguishing media** Not known.
- **5.4 Hazardous decomposition products** Not known.
- **5.5** Special protective equipment According to the existing fire-fighting regulations.

6. Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures Use personal protective equipment. Avoid breathing vapors, mist or gas. Ensure adequate ventilation.

According to 1907/2006/EC (REACH) and 1272/2008/EC (CLP/GHS)

Trade name: Cleaner / HM5 Reagent Pack

Version: 3.0Latest revision: 02.09.2013Previous issue: 13.11.2009Page: 3/(7)

6.2 Environmental precautions

Do not let product enter drains.

6.3 Methods and materials for containment and cleaning up Soak up with inert absorbent material and dispose of as hazardous waste. Keep in

suitable, closed containers for disposal.

6.4 Reference to other sections

For disposal see section 13.

7. Handling and storage

7.1 Handling

Keep general measures applied for normal operations with chemicals and for working in laboratory.

Avoid contact with skin and eyes.

Information about protection against explosions and fires

No special requirements.

Technical measures

None determined.

7.2 Storage

Requirements to be met by storerooms and containers

No special requirements.

Information about storage in one common storage facility

Not required.

Storage conditions

Keep in closed, original container.

Protect from freeze and direct sunshine.

Incompatible materials

Not determined.

Packaging materials

Not determined.

7.3 Specific application See product sheet.

8. Exposure controls / personal protection

8.1 Engineering control measure

Use general room ventilation.

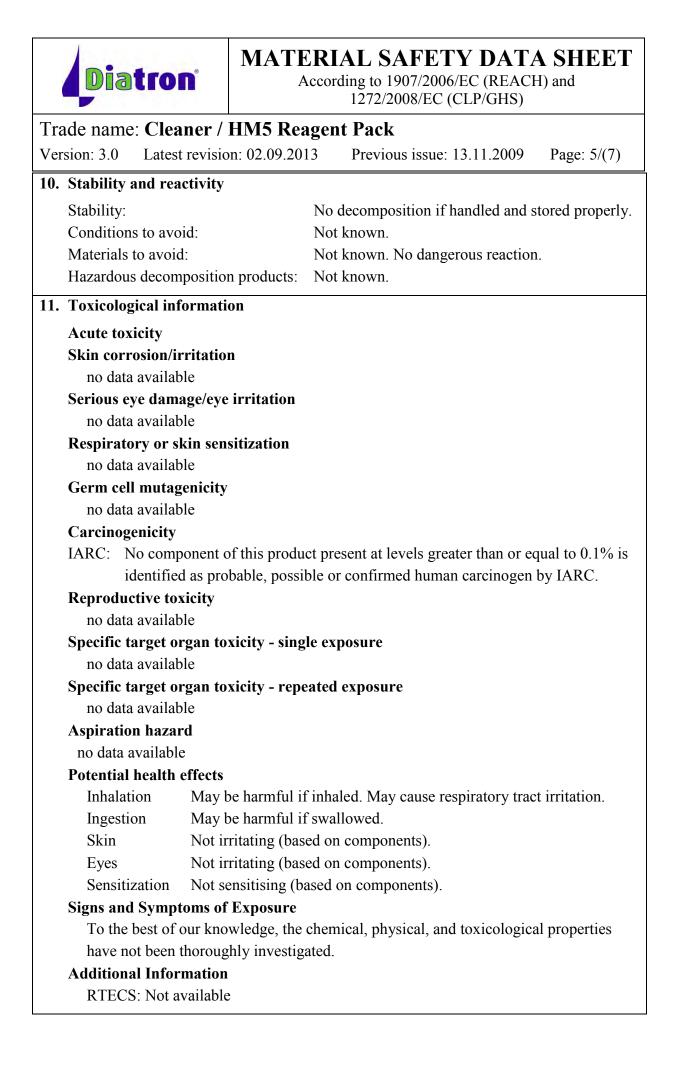

8.2 Exposure limits

Allowable/tolerable values in working air: -

8.3 Personal protection (Protective equipment should be qualified by an organisation with adequate licence.)

2. Hazards identification

2.1 Classification of the Substance or Mixture

Classification according to Regulation (EC) No 1272/2008 (CLP/GHS):

Not a hazardous substance or mixture according to Regulation (EC) No 1272/2008. This substance is not classified as dangerous according to Directive 67/548/EEC.

Classification according to Directive 67/548/EEC or Directive 1999/45/EC:

Human health hazards:	Danger symbol not required.
Safety hazards:	Danger symbol not required.
Environmental hazards:	Danger symbol not required.

2.2 Label Elements

Labelling according to Regulation (EC) No 1272/2008: The product is classified and labelled according to the CLP/GHS Regulation.

2.3 Other hazards – none

3. Composition / information on ingredients

No components need to be disclosed according to the applicable regulations.

According to 1907/2006/EC (REACH) and 1272/2008/EC (CLP/GHS)

Trade name: Rinse / HM5 Reagent Pack

Version: 6.0 Latest revision: 02.09.2013 Previous issue: 11.11.2009 Page: 2/(7)

4. First aid measures

4.1 Description of first aid measures

General advice

Consult a physician. Show this safety data sheet to the doctor in attendance.

If inhaled

If breathed in, move person into fresh air. If not breathing, give artificial respiration. Consult a physician.

In case of skin contact

Wash off with soap and plenty of water. Consult a physician.

In case of eye contact

Flush eyes with water as a precaution.

If swallowed

Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.

4.2 Most important symptoms and effects, both acute and delayed

To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.

4.3 Indication of any immediate medical attention and special treatment needed no data available

5. Fire hazard / fire-fighting measures

5.1 Fire hazard Non combustible.

- **5.2** Suitable extinguishing media Coordinate fire-fighting measures to the fire surroundings.
- **5.3 Unsuitable extinguishing media** Not known.
- **5.4 Hazardous decomposition products** Not known.
- **5.5** Special protective equipment According to the existing fire-fighting regulations.

Diatron		MATERIAL SAFETY DATA SHEET According to 1907/2006/EC (REACH) and 1272/2008/EC (CLP/GHS)				
Trade name: Rinse / HM5 Reagent Pack						
Version: 6.0 Latest revision: 02.09.20			Previous issue: 11.11.2009 Page: 7/(7)			
14.4 Packaging group						
ADR/RID: - IMDG: -			IATA: -			
14.5 Environmental hazards						
ADR/RID: no IMDG Marine pollutant: no IATA: no						
14.6 Special precautions for user						
no data available						
15. Regulatory information						
This safety datasheet complies with the requirements of Regulation No. 1907/2006/EC and						
1272/2008/EC (CLP/GHS).						
15.1 Safety, health and environmental regulations/legislation specific for the						
substance or mixture						
no data available						
15.2 Chemical Safety Assessment no data available						
15.3 Danger symbol(s) and indication(s) not required						
15.4 Hazardous components						
The label must bear the inscription: -						
R-phrase:		e insemption.	not required			
S-phrase:			not required			
Tactile warning of danger:		not required.				
16. Other information						
Recommended applications / restrictions:						
See product sheets.						
Information given is based on our best knowledge and is intended to describe the product						
for the purposes of safety of transporting and handling only. It should not be therefore						
construed as guaranteeing any specific property of the product. It is the responsibility of the user to observe all current regulations and consider recommendations on the use of						
application of product. Latest revision:
