## SECTION III - PHYSICAL DATA

**BOILING POINT:** N/A  
**VAPOR PRESSURE:** N/A  
**VAPOR DENSITY:** N/A  
**SOLUBILITY IN WATER:** N/A  
**APPEARANCE AND ODOUR:** N/A

**MELTING POINT:** N/A  
**VOLATILE BY VOLUME:** N/A  
**EVAPORATION RATE:** N/A  
**SPECIFIC GRAVITY:** N/A

## SECTION IV - FIRE AND EXPLOSION DATA

**FLASH POINT:** N/D  
Method Used: N/A

**FLAMMABLE LIMITS - Lower:** N/D  
**Upper:** N/D

**EXTINGUISHER MEDIA:** In case of fire, use suitable extinguishing agent such as water, carbon dioxide, foam or dry chemical to suppress the surrounding fire.

## SECTION V - HEALTH HAZARD DATA

**EXPOSURE LIMITS:** None Established

In order to limit exposure, exercise caution and wear indicated personal protective equipment when handling this product.

**EYE CONTACT:** Contact with any powder or liquid may irritate the eyes.

#### SECTION V - HEALTH HAZARD DATA (CONT.)

**SKIN CONTACT:** Contact with any powder or liquid may irritate the skin.

**OTHER (Specify):** Contact with any powder or liquid may irritate the mucous membranes.

**LISTED AS A CARCINOGEN BY:** None of the product components present in concentrations greater than 0.1% are listed as carcinogens or suspect carcinogens by IARC, NTP, or OSHA.

#### FIRST AID PROCEDURES:

In case of accidental injection, **IMMEDIATELY** contact a physician. Accidental human injection may cause serious, local reactions. Always use extreme caution to avoid accidental human injection.

If contact with eyes or skin occurs, remove contaminated clothing, flush product from eyes or skin with water for at least fifteen (15) minutes. If a reaction such as irritation occurs, or if in doubt as to what action to take, **IMMEDIATELY** contact a physician.

#### SECTION VI - REACTIVITY DATA

**STABILITY: Stable:** N/A

**Unstable:** N/A

**CONDITIONS TO AVOID:** N/A

**INCOMPATIBILITY (Materials to Avoid):**

**HAZARDOUS DECOMPOSITION PRODUCTS:**

**CONDITIONS TO AVOID:** N/A

**HAZARDOUS POLYMERIZATION:** N/A

**May occur:** N/A

**Will not occur:** N/A

#### SECTION VII - SPILL OR LEAK PROCEDURE

**STEPS TO BE TAKEN:** In case of a spill, use vermiculite or other absorbent material. Collect spilled material in a leak-proof container.

**DISPOSAL METHODS:** Adhere to all federal, state and local regulations for disposal.

#### SECTION VIII - SPECIAL PROTECTION INFORMATION

Use of personal protective equipment is not indicated under normal conditions of use when used in accordance with all label directions. Cautions must be exercised to avoid accidental injection or contact with the eyes or skin. In unusual, non-covered applications, the need for personal protective equipment when handling this product should be evaluated by a competent Industrial Hygienist or Safety Professional.

#### SECTION IX - STORAGE AND HANDLING PRECAUTIONS

**STORAGE AND HANDLING:** none

**OTHER PRECAUTIONS:** none

#### SECTION X - ADDITIONAL INFORMATION

Intervet Inc. is providing this abbreviated MSDS which contains information that will aid you in the proper handling and disposal of this product. Data to date has indicated that this product is not hazardous under normal conditions of use when used in accordance with label directions. Prudent vaccination practices, i.e. not breathing, touching, etc. of a vaccine or biological, are essential for safe use. For recommended handling procedures, refer to our product insert. Once product is opened, it should be used immediately. Unused solution should be disposed of properly and not saved for future use.

**SECTION X - ADDITIONAL INFORMATION (CONT.)**

**Disclaimer: The above information and recommendations are believed to be correct by Intervet Inc. and are presented in good faith. However, all data, instructions and/or recommendations are made without guarantee. This information is offered solely to you in advisement for safe use and handling of the product according to direction of use. To use this material inconsistent with product insert directions or labelling may constitute a hazard. Intervet Inc. shall not be held liable for any damages resulting from the misuse of this product.**

**FOR ANIMAL USE ONLY**

**The information contained herein is true and accurate to the best of the knowledge of Intervet Canada Ltd. However, all data, instructions and/or recommendations are made without guarantee.**

## US Safety Data Sheet Request

Biological Product: NOBIVAC® Canine 3-DAPv

Valued Customer,

**We have received your request for a Safety Data Sheet. OSHA's Hazard Communication Standard 29 CFR 1910.1200 requires chemical manufacturers to classify the hazards of chemicals they produce. A hazard evaluation has been conducted on the constituents in this product in accordance with 29 CFR 1910.1200(d). It has been determined that the product is not a hazardous chemical, and does not pose a physical or health hazard according to the guidelines set by OSHA's Hazard Communication Standard.**

A Safety Data Sheet is not required for this product according to OSHA Regulation 29 CFR 1910.1200(b)(6)(xii) and 29 CFR 1910.1200(g). **Refer to the product's package label and/or insert for product description, safety information and proper handling.**

If you have any questions, please contact Merck Animal Health US Technical Services at 1-800-224-5318.
